

SOUTH AUSTRALIAN AMATEUR WALKERS' CLUB

NEXT SATURDAY - SEPTEMBER 22ND, 1962 - 10 MILES ROAD WALK.

VENUE: WAIKERIE - 110 Miles from Adelaide.

DETAILS: This race was originally programmed to be conducted on an Eastern Suburbs Course, but through John Corrie we have been invited to conduct it at Waikerie during a Carnival, which is being held there next week-end.

STARTING TIME: At the moment this is not known. All that we can tell you is that it will be held during the Afternoon. You are therefore advised to be at Waikerie by Noon on Saturday.

TRANSPORT: You have to find your own transport on Saturday. Some are leaving on Friday Night, some Saturday Morning. You can please yourself, but you are reminded that there are two punts to cross on the way, and if you leave too late you could miss the race.

ACCOMMODATION: We have been allotted the S.A.R. Sleeping Quarters adjacent to the Railway Station. There are ten beds, and the first ten home get one - the rest on the floor. If you have room in your vehicle it may be advisable for you to bring a camp stretcher.

WHERE TO GO WHEN YOU GET THERE: See attached Map.

ACTIVITIES: A dance on Friday Night, and another function on Saturday Night are amongst the activities at Waikerie next week-end.

THE RACE: This event will be a scratch race with a Sealed Handicap. The race will start on the Oval. Walkers will cover One Mile on the Oval, walk out of the Oval onto the Road, where they will walk $8\frac{3}{4}$ Miles, and then back into the Oval to walk another quarter of a mile.

AFTERNOON TEA: Naturally you are asked NOT to bring any Afternoon Tea next week. MEALS, ETC.: Our Accommodation at the Railway Quarters only includes bed, and all Members have to supply their own Meals.

BLANKETS, SHEETS, ETC.: If you have room it may be advisable for you to put a set of sheets and blankets in your car. The 10 Beds available are equipped with sheets, blanket, etc., but for those who miss out on a bed, you will need sheets and blankets.
