1.0 Information about the Club

Welcome to the South Australian Amateur Walkers Club Inc. (SAAWC) trading as the South Australian Race Walkers Club (SARWC).

The SAAWC operates a Winter Season open to all age groups (7 years and above) and abilities typically between April and September on Saturday afternoons.

Race Walking while promoting fitness and competition is also about fun. All club competition is conducted in accordance with the rules and regulations of the International Association of Athletics Federations. However, walkers participating in club races can also walk under 'Club Rules' which offer a more relaxed interpretation of race walking, suited to beginners, some older walkers or walkers with a disability.

Meets are held within the picturesque Adelaide South Parklands at the Adelaide Hockey Club Rooms on the eastern corner of Peacock Rd and Greenhill Road.

All are welcome, whether you are a senior athlete, little athletics athlete or someone who enjoys physical exercise why not come along and try or compete in race walking to see if it is for you.

South Australia has a proud history of successful race walking champions; maybe you could be the next.

2.0 History and Evolution

The South Australian Race Walking Club was established in the early 20th century. The date of the formation of the 'original' club is not known but it was certainly prior to the start of the First World War. It is thought that the first club went into recess prior to the outbreak of World War 2 (circa 1939) and reformed around 1950 or 1951. It went into recess again in the late fifties, probably due to lack of participants, before being reformed again in 1962. It has operated continuously since then. The SAAWC Patron, Bill Starr was a member of the Club at the time of reformation and continues to compete to this day.

South Australian Race Walking Club - Champions of Australia 1930

During its existence the Club has had great success winning national honours at many levels. The Club currently boasts the first South Australian race walking Olympian, representatives of Australian Junior and Youth Olympic Teams, numerous past Australian representatives, current underage national champions, two internationally ranked race walking judges and Australian Track and Field accredited race walking coaches.

The success of SAAWC depends greatly on volunteer assistance at each competition day. The track needs to be set up; officials are needed to judge and time keepers to time the events. If you would like to assist and don't know how please contact any committee member.

1st – 10, 2nd – 8, 3rd – 6, 4th – 5, 5th – 4, 6th – 3, 7th – 2, 8th onwards – 1

A walker can nominate (and be counted for points) in a higher age group. They can make the nomination at the start of the season (for the whole of the season) or event by event.

Points are only scored in the age group the walker has nominated.

Points are only scored if the walker participates in the distance for their age or longer. If participating in shorter distances they are a “reserve” and do not count in placing and points.

An athlete who is disqualified by the Chief Judge under these circumstances shall be allowed to finish the race. He shall be notified of this disqualification by the Chief Judge or a Chief Judge's Assistant by showing the athlete a red paddle at the earliest opportunity after the athlete has finished the race.²⁴¹ RULE 230 IAAF COMPETITION RULES 2014-2015

Having shown a yellow paddle to an athlete, the Judge shall inform the Chief Judge of his action after the competition.
